Your invitation

We invite you to enter a world of sophisticated calm and tranquillity as you explore the Homewood Park Hotel & Spa.

Set in 10 acres of mature parklands and gardens with breathtaking views over the Limpley Stoke valley, Homewood Park is just a few miles from the beautiful Georgian city of Bath. Where better to celebrate the most important day of your life?

A timeless classic

The unique character of the hotel has been described as a warm and welcoming fusion of the contemporary and the classic.

Step inside and you will find the house still retains many of its original features, including exposed wooden floors, antique paintings and roaring log fires, all artfully combined with stylish modern furnishings, fabrics and finishes.

Walk outside and you are impressed by the breadth, depth and beauty of our award-winning gardens.

Why not consider the option of a luxury marquee, with capacity for up to 150 guests?
It makes for a truly memorable wedding celebration.

Relax you're in safe hands

We have many years experience arranging weddings and family celebrations at Homewood Park Hotel & Spa.

This professional and caring approach towards our guests is matched by the quality of our accommodation.

Homewood Park has 21 individually designed bedrooms, all beautifully appointed with elegant furnishings and fabrics and each with their own unique character including rich drapes and antique furniture.

Plan your perfect day

We have a choice of three function rooms, depending on your numbers, including the very elegant Highgrove Room with its beautiful bay window overlooking the gardens, the cosy Jacob Room with French doors opening directly out to the gardens or the homely Shetland Room with its own private terrace, all of which have been completely refurbished to allow for larger numbers for both the ceremony and the wedding breakfast.

Our dedicated Wedding Planner will guide you through the planning of your event; and the General Manager and his team will be on hand to ensure you have the most romantic day of your lives.

Under their expert supervision, you can be confident that all your wedding preparations are complete and in place.

À la carte or al fresco

The restaurant at Homewood Park can justifiably claim to be one the city's finest dining venues.

The restaurant is acclaimed for the technique, flair and imagination of the dishes and the head Chef takes great pride in everything he creates and serves for guests.

The restaurant will cater for any special dietary requirements and we are always happy to create guests' favourite dishes.

For an extra treat, why not enjoy your canapés with Champagne on the terrace before taking your seats for a gourmet experience?
